SUMMARY

https://github.com/kokyeeyang
6 years of full stack web development experience

React portfolio project
https://tour-agency-yy.netlify.app
https://bookanymovie.netlify.app

I graduated with a Bachelors in Finance from Drake University in the US. However, seeing the growing potential in the tech industry, I decided to pick up web development at NEXT Academy. I am currently looking to expand and further my knowledge in web development.
Back End Development: PHP, SQL, AJAX, Node JS, TensorflowJS
Front End Development: CSS, HTML, React JS, Javascript, TailwindCSS
PHP Frameworks: Laravel, Codeigniter, Slim, Yii
